

# SAP SuccessFactors Succession & Development

For organizations to excel in today's competitive global market, succession management is imperative. In fact, organizations that successfully cultivate their next generation of talent, and engage and retain current employees can create a distinct business advantage. Those that don't face not having the right leaders in place to drive their future strategy and success. SAP SuccessFactors Succession and Development helps your organization minimize risk by developing the talent you need to achieve today's business goals while providing the visibility and planning capabilities necessary to support future growth.

### Objectively Assess Employee Potential So You Can Identify, Develop, and Retain the Talent You Need

- Uncover hidden talent through companywide talent search that leverages comprehensive employee talent profiles
- Identify employee competency and skills levels with easy to use assessment tools
- Accurately identify top (and bottom) performers using a configurable nine-box matrix
- Objectively assess employee performance vs. potential with dynamic, drag-and-drop calibration

**The Succession Org Chart** gives quick visibility into your talent gaps, including key indicators such as risk of loss, impact of loss, and bench strength.

**Uncover hidden talent** through companywide talent search that leverages comprehensive employee talent profiles

## SAP Product Brochure

### Enable Strategic Succession Management to Drive Better Business Outcomes

- Assess the risk and impact of key talent loss, and gain visibility into your bench strength
- Instantly nominate internal and external successor candidates to key positions across the company
- Understand the domino effect of proposed succession plans by viewing the succession lineage chart and gaining "what if" scenario visibility
- Close talent gaps with career paths that link to development plans and learning activities (through SAP SuccessFactors Learning)
- Measure the effectiveness of succession plans and the impact they have on business outcomes (through SAP SuccessFactors Workforce Analytics)

The Talent Pools home page provides a dynamic view into pool membership and supports easier administration and management of talent pools.
